IN THE HEART OF
NANSHAN
 ECONOMIC & CULTURAL LANDMARK

Nanshan District is one of the six districts comprising Shenzhen. It encompasses the southwest area of the Shenzhen Special Economic Zone.

The region has an established tourism industry and is home to several sightseeing locations. High-tech and new technology industry is the strongest and most powerful base for Nanshan's economic development.

Located in Nanshan are several International schools and universities, shopping malls, hospitals and entertainment areas all a short drive away, making it a pleasant place to live.

Should you wish for an escape away, Macao and Hong Kong are also a short distance, whether you choose to access by ferry or by land.
